Saturday 31 st			

What's coming up in the hall this month

Open House at Fibre Friday

Friday August 9th is the 1st anniversary of Fibre Fridays in Gilsland. Regular members will be bringing along some of the things they have made and are making, and there will be a variety of fibrous skills on show. Anyone is always welcome to drop in and see what we are up to, but newcomers are especially welcome on this day as there will be so much to see. There will be a spinning wheel for you to have a go on, if you like, and a spindle too. Or you can just come and watch as members spin, knit, felt and weave, and admire some of their handiwork on display. Open 1pm to 5pm in Gilsland Village Hall.

For further details please contact Sally Antill on 47260, email sa_gilsland@btinternet.com – or do please just drop in, we are always pleased to see you!

Don't forget - Domino nights restart Tuesday 13th August, Homemade supper, only £2. 50 – Everyone welcome

Village Hall Improvements

New Hall Floor and Carpet and Roof Repairs

The floor and carpet in the downstairs hall is being replaced this month. We are trying to minimise any disruption to groups so the work will be carried out on Monday 19th, Tuesday 20th and Wednesday 21st.

We will still have the post office on Tuesday and the Craft Group on Wednesday will be in the upstairs hall. Once this work is complete we will have a floor with no dips in it and a lovely new carpet!!

This month we will also be carrying out some essential maintenance on the roof before winter time to ensure we keep the rain out.
